

Ingredients

* One 2.3-litre EcoBoost engine or a 5.0-litre V8 if you like it extra spicy

* One 6-speed manual gearbox or 6-speed automatic with paddleshift for added smoothness

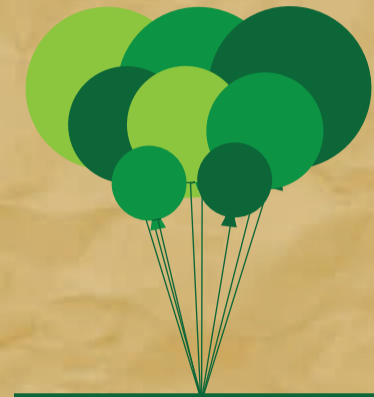

* 8 airbags, including 1 all-new patented glovebox knee airbag

* SYNC 2 voice control and an 8-inch colour touch screen

* Classic tri-bar design 3D rear lights

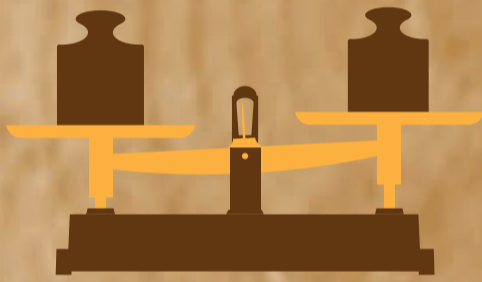

* Serve up a firmer finish using high-strength steel for 28 per cent more stiffness

* Signature Mustang grille and shark-nose front end

Preparation

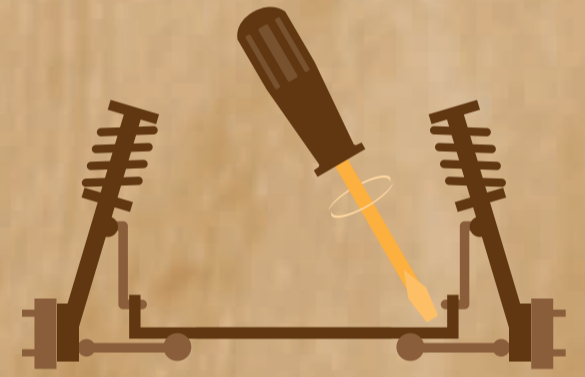

* Balance weight as equally as possible to make the mixture easier to handle

* Take the necessary kitchen safety precautions before using laser welding to create extra-strong joints

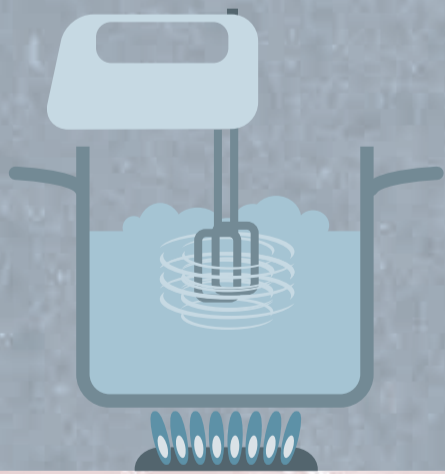

* Tweak brakes and suspension to European tastes

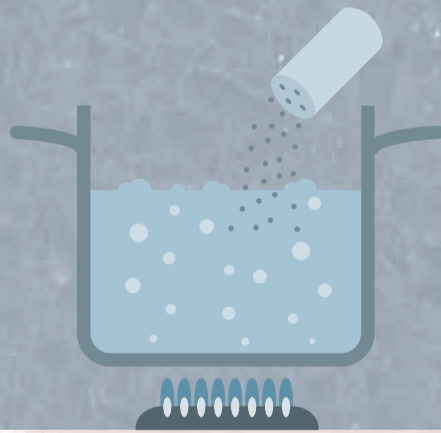

Cooking

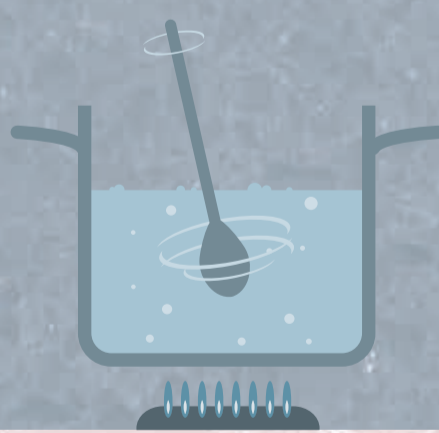

* Rev to 7,000rpm

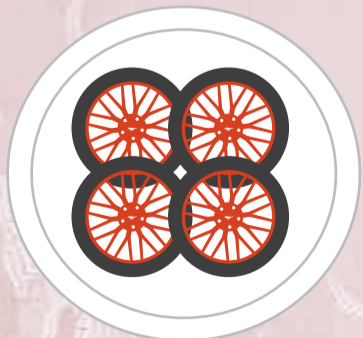

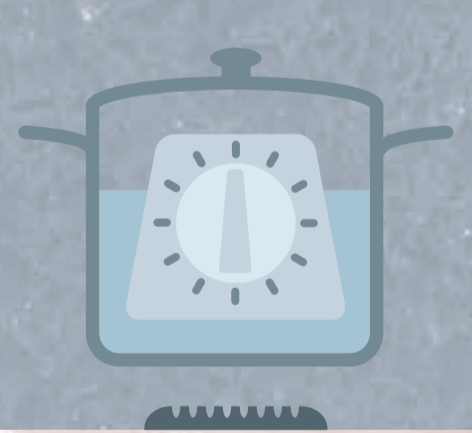

* Bring power up to 421 PS if using the V8 (317 PS for EcoBoost)

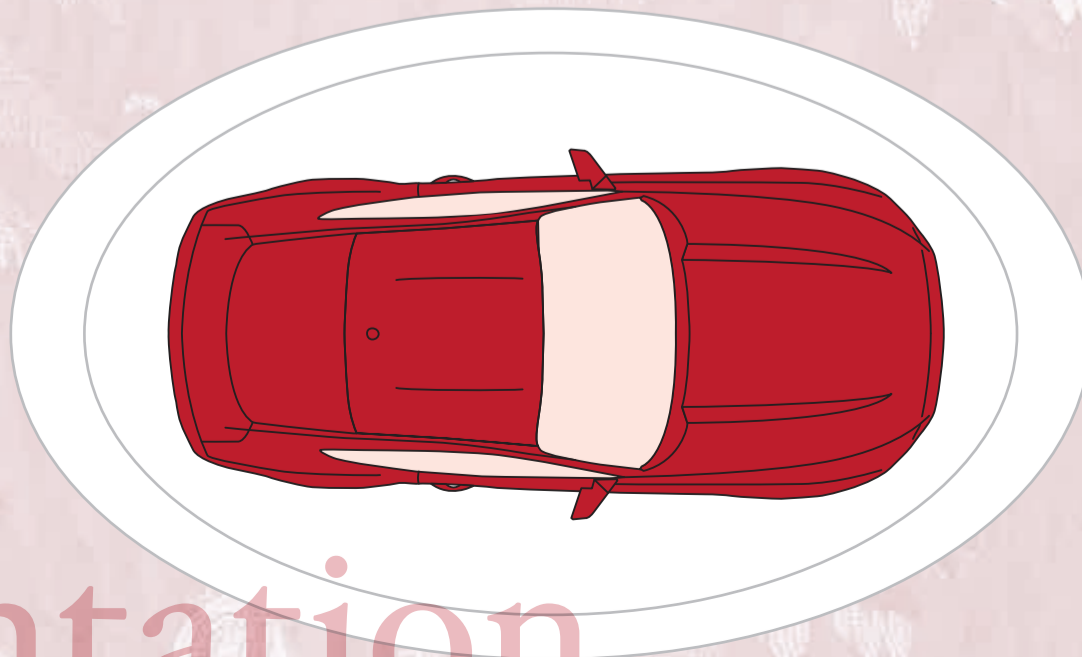

* Let torque simmer at 530 Nm (432 Nm for EcoBoost)

* For best results, allow to mature for 50 years

* Present on 19-inch wheels

* Finish in one of 10 colours

* Serve as convertible or fastback
